ENCL.

OFFICE OF THE INSPECTOR GENERAL OF
EDUCATION IN MYSORE.

Bangalore, Dated 24th July 1923.

FROM

C.S.BALASUNDARAM IYER, ESQ, B.A.,
INSPECTOR GENERAL OF EDUCATION IN MYSORE.

26 JUL 1923

K.MATTHAN, ESQ,B.A.,
Chief Secretary to Government of H.H.The Maharaja
of Mysore, BANGALORE.

SIR,

I have the honour to invite attention to Para 10 of G.O.No.7248-300/G.P.22-17-6, Camp Mysore, dated the 10th October 1916, ordering - that the answer papers at the various Public Examinations in Mysore, may be sent to the Superintendent, Government Printing in Mysore, - - Bangalore, and to inform you that the papers of the several Local Examinations, S.S.L.C., L.S., &c., have been accordingly sent to the Govt Press, year after year. These papers seem to have been of use mainly for taking proofs of printed matter, as they were written upon only on side. With a view to economize consumption of paper, the candidate of the several Examinations of March and April 1923 were instructed to write on both sides of the paper and this practice will be continued, as it reduces considerably the amount of money spent on paper.

As it was considered that paper written upon on both sides might not be of use at the Press, the Superintendent of Government Printing was written to in the matter and he says that such paper is - not required.

As the getting of the answer papers from a very large No. of Examiners involves much trouble and appreciable cost (charged however to the Examiners), and the paper to be hereafter not will not

required by the Superintendent, I request that Government may kindly approve of the discontinuance of the practice of its being sent to - the Government Press.

I have the honour to be.

Sir,

Your most obedient servant,

Personal Asst to the Insp. Gen.

For INSPECTOR GENERAL.,
(Absent from Station).

BSR

1) Send with actual recovery

2) As the cause adopted by the Edn Dept in having instructed the Examinees to write on both sides of the paper, will result in economy in the consumption of paper, the proposal to discontinue the practice of sending answer papers to the Press may be approved, as paper written on both the sides will not be required in the Press.
